April 2015

Things Miss Salisbury has done that I like	Why I like it
She interacts with students	because its better when teachers actually help students
She is very nice	not all teachers are nice
She is confident	teachers explain things better when they are confident
She's encouraging	Makes me work a lot better
She has fun activities	because doing fun the work is fun!!!
She knows what she is doing	Some teachers that are new or relief sometimes don't know what they are doing

Feedback for Miss Salisbury

April 2015

Things Miss Salisbury has done that I like	Why I like it
Letting her know what we like	because it gets her to know what we like.
Being nice to us	because you don't want a teacher being mean to us.
Explaining us ^{what} to do	so we know what to do.

Things I would like Miss Salisbury to do differently	Why it would be better
telling us all about her	so we know what her favourite things are.
